Leland High School Registration FAQs

3-3-10

Q: Why isn't Spirit or Intro to Engineering Design on the 10<sup>th</sup> grade course selection form?

A: This was an error. These courses will be available for 10<sup>th</sup> graders to select when they select courses on the web-based course selection site. You can write it in on the form.

Q: Can Juniors take AP Environmental Science?

A: Yes. This course will be available for 11<sup>th</sup> graders to select when they select courses on the web-based course selection site. You can write it in on the form.

Q: How do I sign up for two science (or math) courses?

A: Students will only be allowed to select one science (or math) course at this time. Next August, students will be allowed to request to add a second class. The second class will be added based on available spaces and flexibility of the students other classes.

Q: What if I am failing a required course – should I sign up to take it again for next year?

A: Each student's situation is a little different. See your grade level advisor for a recommendation.

Advisors:      9<sup>th</sup> – Mrs. Lepiane  
                    10<sup>th</sup> – Mrs Kennedy  
                    11<sup>th</sup> – Ms. Kim

Q: When can we go online to choose courses?

A: In Social Studies classes.....
