The Leland website and all site-hosted teacher pages will not be accessible on November 10th and November 11th due to district-wide system maintenance. We apologize for any inconvenience.

H1N1 Vaccination Letters

Letters with consent form for your child to receive the H1N1 vaccination were distributed in your child's English class last week. If you wish for your child to receive the vaccination, you must fill out the form and have your child return it to his or her English teacher **by November 12th**. After the deadline of November 12th, students or parents may drop off forms at the main office **but vaccination availability is NOT guaranteed**. Parents declining the vaccination do not have to return the form.

**At this time, we do not know the exact date of the arrival of the vaccine so a school-wide vaccination date cannot be scheduled. Once the district has the vaccine, the district office will notify the schools 2 days in advance.*

We also are in need of 6 parent volunteers to help out on the day of vaccination. Please notify Victoria Kim, Assistant Principal of Activities, if you are available to volunteer for this event. Contact her via email at victoria_kim@sjusd.org or via phone at 535-6290 x208*

Attention Parents!

Parent Club needs parent volunteers to plan this year's Grad Night. The committee currently does not have an existing chair-person or any volunteers to help plan for this memorable event. If volunteers are not found, Grad Night may have to be canceled this year!

Please contact Parent Club President, Tom Norton to volunteer at tom@lelandparentclub.com. We are looking specifically for parents of underclassmen to relieve the senior parents during this busy time.

Parent Club Membership Drive Extended

THANK YOU to all the Leland families who have elected to join the Leland Parent Club for the 2009/2010 school year. The membership drive kickoff has shown strong support from the Leland community but we still need the help of those who have yet to participate. Our goals this year are to purchase more technology for the classrooms and support our students and teaching staff with programs and events. All donations are tax deductible and any donation you make helps to make a difference towards our goal of \$60,000. Many employers have matching grants available. To show our appreciation for those families donating \$180 or more, we are offering a thank you gift of a Leland logo canvas shopping bag and Leland metal water bottle.

You can find the Leland Parent Club goal set, membership forms, volunteer opportunities and more information on the Parent Club website at www.lelandparentclub.com. Payments are accepted via check or PayPal. Get involved today and find out how you can make a difference in the life of your student at Leland this year with the help of the Parent Club! All monies donated to the Parent Club goes back to directly support the students and staff of Leland High School.

Junior College Courses Taken on Leland Campus

In order to streamline and clarify the enrollment and credit process for our students, Leland and our partner junior colleges have started a new process for the 2009-2010 school year.

Students who wish to take the following courses at Leland this year:

- **American Sign Language (San Jose City College)**
- **Differential Equations/Inter Calc (San Jose City College)**
- **Intro to Business/Business Law (West Valley)**

Students **MUST** register for these classes through the Junior College enrollment application process. This includes obtaining the application form and R-40 form from the Admissions Office or their website. The forms then need a Leland approval signature before they go back to the Junior College for processing. The JCs may require the students to take an assessment, so it is best to do this soon so there is time to schedule it.

After the course is completed, students who want the grade and credits for this course on the student's high school transcript, must bring the JC report card or transcript in to the Leland Registrar, Karen Johnson, to have the credit and grade applied to the high school transcript. Contact Dorothy Kennedy, AP Instruction, if you have questions @ 535-6290 x299

If you have already enrolled in one of these classes, look for signs posted around the office for start dates and room numbers.

Below is a site that has free Middle and High School online tutorials. Many are animated tutorials that can be used as enrichment, support or as an augmentation to lessons taught in class.
