Welcome Back to School!

Welcome all new and returning Chargers back to school! We hope that everyone has had a restful summer vacation and is ready to start off the 2009/2010 school year with an abundance of Charger Pride! Go Chargers!

Schedule Changes

Thanks so much to everyone for their patience and support. The administrators are working hard to complete all of our high priority schedule change requests this week. These are requests that have indicated that they have a "hole" in their schedule, that they needed to drop a class that they have already completed, they lack a required Core class such as English, Math or Science, or if they have duplicate classes on their schedule. Next week we will begin to address the other requests, such as changing an elective, dropping an elective and adding a second science class. We will grant these requests as long as there is room in the classes. Wait lists will be generated for requests for classes that are full. Schedules that have been completed will be sent directly to the students during the school day, as well as notifications if we cannot complete their requests and why. All requests will be completed by August 31.

Leland Handbooks - T-period Schedule

Students will receive their Leland Handbook Thursday, August 20 in their second period class during T-period ([schedule here](#)) and will discuss the information that it includes. Please look over the handbook with your student when they bring it home.

Fall Sports Meeting

Mandatory for all fall sports' athletes and parents

Our first sports meeting of the year will be held on Thursday, August 27th at 7p.m. in the main gym. We will begin with our general session at 7p.m., which will be followed by individual team break-out meetings. Attendance is mandatory for all fall athletes and their parents.

The make up meeting will be held at 7:15 on Friday, August 28th in the Faculty Dining Room. Please contact Athletic Director, **Pam Headley**, if you have questions or concerns. She may be reached at 535-5290 or via email at Pam_Headley@sjusd.org

Junior College Courses Taken on Leland Campus - New enrollment procedure:

In order to streamline and clarify the enrollment and credit process for our students, Leland and our partner junior colleges have started a new process for the 2009-2010 school year.

Students who wish to take the following courses at Leland this year:

- **American Sign Language (San Jose City College)**
- **Differential Equations/Inter Calc (San Jose City College)**
- **Intro to Business/Business Law (West Valley)**

Students **MUST** register for these classes through the Junior College enrollment application process. This includes obtaining the application form and R-40 form from the Admissions Office or their website. The forms then need a Leland approval signature before they go back to the Junior College for processing. The JCs may require the students to take an assessment, so it is best to do this soon so there is time to schedule it.

After the course is completed, students who want the grade and credits for this course on the student's high school transcript, must bring the JC report card or transcript in to the Leland Registrar, Karen Johnson, to have the credit and grade applied to the high school transcript. Contact Dorothy Kennedy, AP Instruction, if you have questions @ 535-6290 x299

If you have already enrolled in one of these classes, look for signs posted around the office for start dates and room numbers.

Kick-off Football Game

Be sure to join us for our first home football game on Friday, September 4th in the Pat Tillman Stadium. We will start this year with a **TAILGATE PARTY** catered by Famous Dave's BBQ! BBQ dinner includes 2 ribs, ¼ chicken, potato salad, beans, corn muffin, and a drink for \$20. All proceeds go to the Leland Booster Club. Dinner will be ready at 5:30 (JV half-time). The JV game begins at 4; Varsity begins at 7:00.

Pandemic H1N1

An update on Pandemic H1N1 (the new term for Swine Flu):

-Pandemic H1N1 is currently a relatively mild form of the flu, presenting with fever, congestion, cough, runny nose and sometimes vomiting. Unlike seasonal flu, H1N1 the worst infections seem to be amongst the 5-24 year old age group. Pregnant women are at higher risk and should contact their doctor if they become symptomatic.

-Santa Clara County has experienced a high number of Pandemic H1N1 cases over the summer, which is very unusual for influenza.

No School

-The Public Health Department is currently not anticipating school closures due to Pandemic H1N1. Decisions to close schools will be made on a case-by-case basis by the Public Health Officer.

-Staff and students at San Jose Unified School District (SJUSD) elementary through high schools who are ill with flu-like symptoms may not return to work until they are fever free (without medication) and without productive cough or sore throat for a minimum of 24 hours. This is a change from last year.

-The best prevention strategies for the flu remain to be hand-washing and covering coughs.

-H1N1 vaccines will not be available until late October- at the earliest. The CDC will prioritize who should get the vaccine. Currently, children 6 months to 18 years are a priority.

-The CDC is recommending everyone get a season flu shot. While this will not protect against H1N1, it will help keep the number of flu illnesses down overall and protect people for getting the seasonal flu- keeping them stronger to combat H1N1.

Donation Request

Due to budget shortfalls for the 2009-2010 school year, the San Jose Unified School District will not be able to fund magazine subscriptions for our library. Our magazines are an important part of our research materials for the students to use for class projects. It is important to maintain continuity because breaks in the collection cannot be replaced. Leland is requesting that the following magazine subscriptions be donated to the school library:

American History
Foreign Affairs
Journal of Modern History
National Geographic
Newsweek
People
Popular Science
Sports Illustrated (School Edition)

Please contact the school librarian, **Maureen Stanaway**, at 535-6290 or via email at maureen_stanaway@sjusd.org for additional questions.
