Truancy Letters

During the month of September, the District will be sending out truancy letters to students who have recorded unexcused absences during the first weeks of school. Due to the large increase in student enrollment at Leland High School, which necessitated a larger number of schedule changes than originally expected, our absence recording system may not be as accurate as in normal circumstances. If you should receive a truancy letter, know that we will double check to determine if your student's unexcused absence was due to schedule changes. If the unexcused absence is due to a change in schedule, the unexcused absence will be deleted. All other unexcused absence(s) will stay on record and will be counted toward a truant absence.

Parent Education Classes

Please see the following attachments of the different programs that the Office of Parent Education is currently sponsoring. The presentations and classes vary on sessions, depending on the curriculum, and the needs of the parents throughout the district.

Junior College Courses Taken on Leland Campus

- New enrollment procedure:

In order to streamline and clarify the enrollment and credit process for our students, Leland and our partner junior colleges have started a new process for the 2009-2010 school year.

Students who wish to take the following courses at Leland this year:

- **American Sign Language (San Jose City College)**
- **Differential Equations/Inter Calc (San Jose City College)**
- **Intro to Business/Business Law (West Valley)**

Students **MUST** register for these classes through the Junior College enrollment application process. This includes obtaining the application form and R-40 form from the Admissions Office or their website. The forms then need a Leland approval signature before they go back to the Junior College for processing. The JCs may require the students to take an assessment, so it is best to do this soon so there is time to schedule it.

After the course is completed, students who want the grade and credits for this course on the student's high school transcript, must bring the JC report card or transcript in to the Leland Registrar, Karen Johnson, to have the credit and grade applied to the high school transcript. Contact Dorothy Kennedy, AP Instruction, if you have questions @ 535-6290 x299

If you have already enrolled in one of these classes, look for signs posted around the office for start dates and room numbers.

Pandemic H1N1

An update on Pandemic H1N1 (the new term for Swine Flu):

-Pandemic H1N1 is currently a relatively mild form of the flu, presenting with fever, congestion, cough, runny nose and sometimes vomiting. Unlike seasonal flu, H1N1 the worst infections seem to be amongst the 5-24 year old age group. Pregnant women are at higher risk and should contact their doctor if they become symptomatic.

-Santa Clara County has experienced a high number of Pandemic H1N1 cases over the summer, which is very unusual for influenza.

-The Public Health Department is currently not anticipating school closures due to Pandemic H1N1. Decisions to close schools will be made on a case-by-case basis by the Public Health Officer.

-Staff and students at San Jose Unified School District (SJUSD) elementary through high schools who are ill with flu-like symptoms may not return to work until they are fever free (without medication) and without productive cough or sore throat for a minimum of 24 hours. This is a change from last year.

-The best prevention strategies for the flu remain to be hand-washing and covering coughs.

-H1N1 vaccines will not be available until late October- at the earliest. The CDC will prioritize who should get the vaccine. Currently, children 6 months to 18 years are a priority.

-The CDC is recommending everyone get a season flu shot. While this will not protect against H1N1, it will help keep the number of flu illnesses down overall and protect people for getting the seasonal flu- keeping them stronger to combat H1N1.
